

To District 8 Aggie Mom Presidents and Federation Officers:

"Baking Up Traditions with Aggie Mom Love".

You are invited to the District 8 meeting, being held as a part of Federation Weekend January 22 and 23, 2010. We, the members of the Comal County A&M Mothers' Club are very excited to be hosting the first District 8 meeting in the new weekend format. Our meeting will be Saturday Afternoon after the Federation meetings on Friday and Saturday. Our special guests will be members of Company E-2, the Mascot Company, to present a program on the Traditions of Aggieland.

Our Baking Up Traditions invitations are already in the mail to you - and a electronic version is attached to this e-mail. We would like to ask you to forward the e-mail invitation to all of your club members, every member is invited and we hope you will organize your club for the trip to College Station in January. The invitations have two response sheets, one for the Federation Weekend, including hotel reservations and the other for the District 8 meeting. Please encourage your members to attend all of the festivities and to respond to each of the invitations. the Federation responses and checks go to Dawn Powell at the address on the bottom of that form. Responses and checks for our fun and calorie filled District 8 meeting will need to be returned to Lynda Jackson here in New Braunfels. This is a bit of a change, since we are asking for individual responses, but we think this is the best way to get all of your members involved!

As the host club, we would like to invite your club to bring one or two selected items from your boutique inventory to sell. Space on tables in the Association of Former Students building will be limited, so we are asking you to keep that in mind when you select the item you want to sell. please let us know if you will be bringing items to sell so we can be sure to have enough tables.

We need your annual reports prior to the meeting, so please get those to us by the first part of January. You may e-mail them to Lynda. As Club President, we will ask you to give a report on your club as part of our meeting, so be prepared to talk about what makes your club so special!

We would also like you to bring two door prize items, since we will be awarding door prizes to those attending at the end of the meeting.

Whew, that should cover everything, but if you have any questions, send us an e-mail or call.
